## **Exhibit 1: General Requirements**

This Exhibit will track the requirements of Stipulation 1, dated August 26, 2019 and therefore, the requirements of 16 NYCRR § 1001.1.

### **1(a) Application Requirements**

High River Energy Center, LLC (the Applicant) proposes to construct a solar energy center, the High River Energy Center (the High River Energy Center or the Project), in the Town of Florida, Montgomery County, New York (see Figure 1-1). The Project will consist of a 90-megawatt (MW) solar energy center located on land leased from owners of private property. Project Components include commercial-scale solar arrays, access roads, inverters, fencing, buried electric collection lines, and electrical interconnection facilities.

This Application contains the exhibits as described by 16 NYCRR § 1001 as relevant to the Project technology and site, and such additional exhibits and information which the Applicant has considered relevant. In instances where an exhibit is not relevant to this particular Application, it has been noted.

### **1(b) Exhibit Title Pages**

Each exhibit herein contains a title page showing:

- (1) The Applicant's name.
- (2) The title of the exhibit.
- (3) The proper designation of the exhibit.

### **1(c) Formatting**

This Application has been formatted as follows:

- (1) Each Exhibit contains a table of contents.
- (2) Each Exhibit which includes references to supporting documentation (appendices) includes a list of such documents.

### **1(d) Statistical Comparison**

The basis for statistical comparison for the data collected, compiled, and reported will be obtained under post-construction monitoring. Concurrently with the filing of the Application, the Applicant is providing the New York State Department of Environmental Conservation (NYSDEC) and New

York State Department of Public Service (NYSDPS) shapefiles containing data collected for reports required by 16 NYCRR § 1001 as well as data collected for wildlife and habitat survey reports.

**1(e) Information in Multiple Exhibits**

Information which is required for more than one exhibit has been supplied in a single exhibit; however, this information is referenced in other exhibits where it is also required.

**1(f) Applicant Information**

**(1) Applicant Contact Information**

High River Energy Center, LLC  
700 Universe Blvd., FEW/JB  
Juno Beach, FL 33408  
Telephone: (800) 214-7929  
Fax: (561) 304-5404  
Email: [info@highriverenergycenter.com](mailto:info@highriverenergycenter.com)

**(2) Project Website**

The Project specific website address is: [www.highriverenergycenter.com](http://www.highriverenergycenter.com)

**(3) Applicant's Primary Public Contact and Authorized Agent**

Mr. Keddy Chandran  
700 Universe Blvd, FEW/JB  
Juno Beach, FL 33408  
Telephone: (561) 691-7274  
Fax: (561) 304-5404  
Email: [Keddy.Chandran@nexteraenergy.com](mailto:Keddy.Chandran@nexteraenergy.com)

Mr. Sam M. Laniado  
Mr. Tyler Wolcott  
Read and Laniado, LLP  
25 Eagle Street  
Albany, NY 12207

## ***(6) Business Description***

High River Energy Center, LLC is a limited liability company formed on August 25, 2017 in Delaware, and will develop, own, operate, and maintain a solar powered wholesale generating facility in Montgomery County, New York. High River Energy Center, LLC is a wholly-owned, indirect subsidiary of NextEra Energy Resources, LLC (NextEra), which is located in Juno Beach, Florida. NextEra is a nationally recognized clean energy provider with a portfolio of facilities totaling over 21,000 MW of generating capacity in the United States and Canada, of which over 2,000 MW is derived from the sun. NextEra operates primarily as a wholesale power generator, providing power and environmental attributes to utilities, retail electricity providers, power cooperatives, municipal electric providers, and large industrial companies. Approximately 99 percent of NextEra's electricity is derived from clean or renewable sources, including solar and wind. NextEra, together with its affiliated entities, is the world's largest operator of renewable energy from the wind and sun.

NextEra is a subsidiary of NextEra Energy, Inc. (NYSE ticker: NEE), a nationally recognized clean energy provider and the world's largest producer of wind and solar energy. NextEra Energy Inc. employs over 14,000 people in the United States and Canada. Headquartered in Juno Beach, Florida, NextEra Energy Inc.'s principal subsidiaries are Florida Power & Light Company, which serves approximately five million customer accounts in Florida and is one of the largest rate-regulated electric utilities in the United States, Gulf Power Company, which serves more than 460,000 customers in eight counties throughout northwest Florida, and NextEra Energy Resources, LLC (as previously described).

## ***(7) Documents of Formation***

High River Energy Center, LLC is owned by NextEra Energy Resources, LLC. A copy of the Certificate of Formation for High River Energy Center, LLC is included as Appendix 1-1.
