**Case No. 17-F-0597**

**1001.39 Exhibit 39**

**Wastewater Interconnection**

**Contents**

Exhibit 39: Wastewater Interconnection..... 1

## **Exhibit 39: Wastewater Interconnection**

The requirements of 16 NYCRR § 1001.39 are not applicable to the Project, as no municipal wastewater interconnection is required for the operation of the Project. During construction, portable toilets will be used and therefore wastewater generated during construction will be collected and removed off-site for treatment.
